

I feel that KLove Radio is a true asset to our community. It is one of the VERY few places where my family can listen together and be entertained in an uplifting manner without worry. I use this station on a daily basis to keep my spirits high and to bless others in my life. If the station was replaced, I would be highly disappointed and feel that my needs have been neglected. KLOVE provides a wonderful service in our community by spreading God's love and grace to all who will listen. If you think that this sounds a bit extreme, just listen yourself for one whole day (24 hours) and see how it will bless your life.
